Hello Bobby Sir,

Sir i think you have missed out on one big serial , "Chandrakanta".
Which created some memorable character like krur singh etc and created history on indian televisioin.

Regards,
Nishant Nigam

Hi Nishant,
Thanks for writing in.
But I think you havent read or understood the post completely.

The Post is about Doordarshan's Serials which came before 1991.
To be precise its all about remembering the serials which came before the Cable TV revolution visitted India.

And both the name of the serials you have mentioned are actually Cable Channels Serials in the late nineties and after that, and not of Doordarshan before the 90s.

So I will be glad to include a name of any serial which is now more than 20 years old on television.

Still thanks for writing in and do keep logging.
Cheers!

Hello,
I'd like to mention the name of "Phatichar" with Pankaj Kapoor in the lead. I'm not sure whether it aired before 1991 or not.
There was also "Junoon," with this Tata-Birla business rivalry storyline. Also, I can vaguely recall the drama "Kashish."

As an aside, a childhood favourite of mine was "Tehkikaat" with Vijay Anand and Saurabh Shukla. It was after cable TV came to India, but it was on DD and delighted me. :) I was young and impressionable at the time, so I may be forgiven for this. The first episode had Kitu Gidwani as the killer and I remember thinking "Hey, she's a pretty lady."

bobbysing

submitted on 07 January 2010

Hi,
Thanks for writing in.....I will surely look in to the dates and let you know.

However regarding Kitu Gidwani, you made me remember those days of serial "Air Hostess" in which I simply loved her watching right from the first serial aired.

Keep writing,

nice database but if you are listing serials before the 91,s then zaban sambhal ke,office office and dekh bhai dekh dont fit in here.great serials but of the mid to late 90,s..just thought ud like to know..wrong facts,since you are building a good database.

bobbysing

submitted on 23 January 2010

Hi Abhimanyu,
Thanks for giving your time and writing in.

Regarding your concerns, If you read the write-up again then it is clearly mentioned that :

There are two worth mentioning masterpieces among the **recent serials** :

Zabaan Sambhal Ke (Comedy) (Featuring Pankaj Kapoor)

Office Office (Comedy) (Featuring Pankaj Kapoor)

So it is mentioned right there that the above two serials are from the latest channel era.

But at the same time you are also right in mentioneing "**Dekh Bhai Dekh**".
However it was included in the List since it came on "Doordarshan" and not any private channel.

Still you are very right in pointing it out as it was originally aired in 1993. So now it has been added along with Zabaan Sambhal Ke & Office Office.

Thanks for writing in and keep visiting for more.

Cheers!

Santosh Gairola *Chanakya and Chandrakanta*

submitted on 28 February 2010

I think you forgot Chanakya. And of course the horrible Chandrakanta.

bobbysing

submitted on 28 February 2010

Hi Santosh,
In my opinion, though both Chanakya & Chandrakanta were telecast on Doordarshan, still they came in post 1990 years.
However I personally didnt like the overlengthy and uninteresting portrayal in Chanakya and appreciating the fantasy Chandrakanta was completely out of question as it was quite over the top and childish.

Still, Thanks for writing in and Keep logging.

There was something called "Kiley ka rahashya", Stoneboy, Giant robot. Do you remember?

Hi A. M. Yadav,

Sure, As you remind me i have just remembered that haunting tune of "Kiley Ka Raheasya".....which I still couldnt find anywhere on the net. The rest of the two, I remember too but they were English serials, which can be included in a seperate post. But "Kiley Ka Raheasya" no doubt deserves a place there in my list.

Thanks for your contribution and keep posting!

THANKS FOR THE LIST BUT CAN YOU TELL THE ADDRESSES FROM WHERE WE CAN GET THESE OLD SERIALS

bobbysing

submitted on 07 June 2010

Hi Dr. P. S. Rathore,

Thanks for visiting and writing in.

Regarding the availability of these serials on Home Video, if you reside in Delhi then all the released serials can be bought from either **Palika Bazaar** or **Lajpat Rai market**. These are the two places where you can get all at one go.

Otherwise you can get them by ordering at your local store or retailer.

I hope you get them all soon.

There was this college serial called Subah. Dealed with drug issues and other stuff. Catchy title song. Not sure if you guys mentioned Nukkad here.. And how could you forget the marathi serial ek shunya shunya... If you are a fan of cid on sony. Then ek shunya shunya with the same title roles was violent.

bobbysing

submitted on 07 June 2010

Hi Edmund,

Thanks for visiting and writing in but frankly speaking it seems that the article was only given a glance and not read thoroughly.

Because both of the serials mentioned are right there in the list i.e. Subah and Nukkad.

And the marathi serial is not there as the article in basically only about the Hindi Serials of that era.

However, as you mentioned about the title song of Subah, I would like to add that it was a brilliant track from the great R. D. Burman himself.

Thanks once again for being here and keep visiting.....Cheers!

Hi,

I think it would be good if DD retelecast these serials now a days. Since these serials contains social messages and found infomative and entertaining, better than the serials telecasted nowadays which has more costumes but zero social messages and never reflect the actual society in large.

Indradhanush (kids with a talking computer, I missed the ending episode due to power cut in our locality) Used to air on Sunday noon.

Police File Se (recreation of events of how police solved crimes, like stealing of Bhadur shah Jaffars coat from Delhi museum).

Lifeline (Deals with Hospitals and Doctors lives starring Reema Lagoo).

In the last episode all his former patients pool money and send him to US for treatment after he meets with a life threatening accident.

PC 1008 (detective serial starring kanwaljeet singh).

Another serial that deals with two doordarshan reporters that go on a door to door to get reviews about doordarshan programmes. It was a comedy serial.

If this list is just for serials pre 1991 era, then of course, Captain Vyom (http://en.wikipedia.org/wiki/Captain_Vyom) would not cut to the list.
But it was one awesome sci-fi show of India!

I am desperate to find it's CD/DVD from wherever I can! It's not on flipkart.

It would be very humble of you if you could let me know if you came across of any disc of Captain Vyom!

Thanks,
Vineet.
